Rootstein

Yasmin

The logo for Adel Rootstein, featuring the name in a white, elegant, cursive script font.

Yasmin is another of Adel Rootstein's classic 1990s collections and is the basis for this complete remodelling of the collection.

Yasmin first appeared in the Rootstein catalogue in the early 1990s, featuring alongside other fashion models of the age. Today's collection has been entirely remodelled for contemporary fashion use, but still retains the essence of the original collection.

Working with sculptor John Taylor, Yasmin Le Bon's mannequin first featured in the 1990 'Frieze Collection' alongside other male and female models and actors of the era including Lisa Butcher, Helga Remane, Nina Omotoso, George Alexander and Rod Alleyne.
